FATHER'S DAY POEM

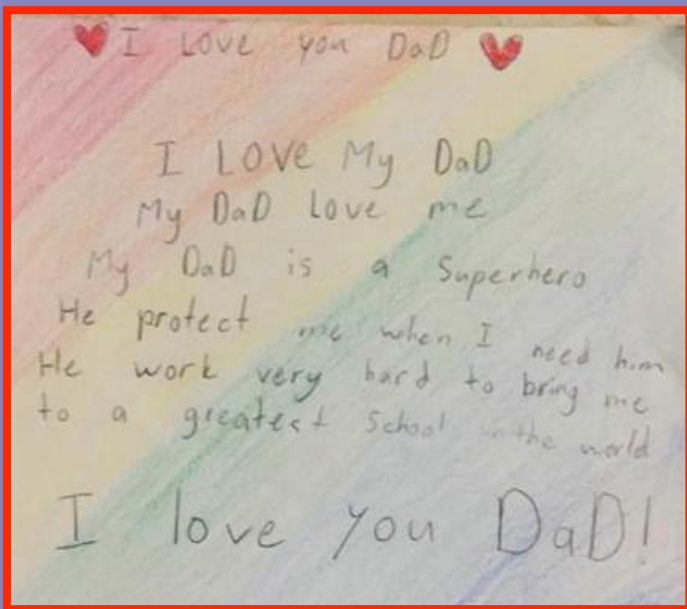

*My dad is like a big kid
He like to play games
And watch tv
Sometimes he is like a baby
Because he sleeps like a pig
He gets bullied every night
By my sis and me 
But I know he won't be unhappy
This Father's day I wish you to be healthy!*

*You are fantastic
You are awesome
You always teach me
You always make me happy
You make me excited
You buy me what I really want*

Love from shruthi

You are a great dad!
So considerate,
Eats tons of veggies,
And so indifferent,
So tax-efficient,
Pays a huge electric bill
And super proficient,
Still, though, you're a great dad!

By Rui Jie, Year 5

My father
Is someone who has a big mind
He is knowledgeable and wise
My father is a food lover especially steamboat
A loving person who takes care of the family, what's next?
Someone who is awesome but can be strict
He brings me to great places and that is it. ('..) / (..)

by Arianna Year 5

You were always there when I struggled
And when times were tough, you kept that smile on your face
You taught me everything
And you would cancel your business calls to spend time with me
You are the best Father in the world!

By Aghan, Year 5

Happy Father's Day!

I HAVE LOVED YOU SINCE WE FIRST
MET ,
YET YOU NEVER KNEW ,
THAT ALL THE YEARS YOU'VE BEEN
WITH ME ,
MY LOVE FOR YOU ONLY GREW,
LIFE'S BEEN HARD ,
BUT I HOPE YOU STAY FOREVER,
SO WE CAN BE TOGETHER,
AND WE'LL GO THROUGH THE THICK
AND THIN TIMES TOGETHER.

HAPPY FATHER'S DAY

Happy father's day dad,
He is there whenever I need him,
Thank you for leading me,
One day I will be like you.

Sometimes you are mad at me,
But I know you are doing this for my own good,
You are a leader for this family,
You always lead us to the right path.

He always bring us lots of joy,
He is our Santa Claus,
He listen to our needs,
He can do anything,
He is intelligent.

Father's Day

A leader in our family,
A role model, and everything.
You help me with almost everything,
Projects, homework and giving me ideas and
advice.

When I injure myself,
You will always be the doctor.
When my roof is about to fall,
You will always be the pillar.

You help me with my problems,
Even if you have many problems yourself.
You catch me when I fall,
Lending me an extra hand when I need help.

You tuck me into bed every night,
And also act as my alarm clock.
Everything you do is a great help,
You're a super dad!

My Father

You're **F**antastic in every way You're **A**lways

Your son, Adrian

My Dad

Happy Father's Day Dad. Thank you for all you have done.

You are my hero and I only have one. You are there for me.

No matter what bad choices I make.

Whatever you do, you will always be my hero.

Your wisdom and knowledge have shown me the way.

And I'm thankful for you as I live day by day.

I don't tell enough how important you are. In my universe you're a bright shining star.

You're my dad

You're the first person who held me in your arms,
The first person to see me cry,
The first person to see me laugh,
The first person who fed me,
The first person who changed my diapers,
The first person to see me take my first steps.

You were always there to guide me through life,
You have seen me at my best and my worst.
You play a good father figure,
Despite you not having a father yourself.
You have provided me the best childhood any child could ever have.
I cherish the life you've given me.

I will repay all the hardship you've been through.
I apologize for the time when I've treated you badly.
I was just not in a very good state.
One day I will grow up and move on,
One day I will be away from your watchful eyes.
But no matter what happens,
You will always be my dad.

My Father By: Cui Shi

To the best dad I could ever ask
for.

Thank you for being the light that
shines on me when I am lost.

Thank you for working hard just to
give me the best.

You make me feel precious and
loved.

You are the shelter that stops me
from getting hurt.

You made me become who I am
today .

Today is my turn to say I love you.

Happy Father's Day.

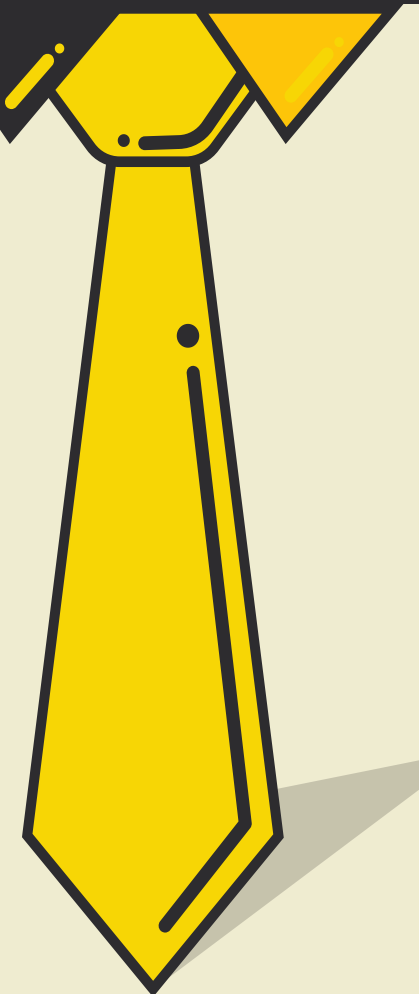

FATHER'S DAY POEM

OLD MAN I LOVE YOU,
FOR ALL THAT YOU DO.
I'LL HUG YOU AND KISS YOU
BECAUSE YOU LOVE ME TOO.
YOU FEED ME AND NEED ME
TO TEACH YOU TO PLAY.
SO SMILE BECAUSE I LOVE YOU
ON THIS FATHER'S DAY.

TO 'DA MAN!

HAPPY FATHER'S DAY

My Father

by Joylyvia

Who is busy with work,
Yet is always free to play?
In the darkest of nights he lurks,
Preparing the next day.

Who puts food on the table,
And still, has time to spare?
Never a moment is he unable,
To show how he cares.

We may not have the same interests.
We may not always agree,
But you have never failed,
Not once, to give everything to me.

How unappreciative I must be,
To never stop and think,
How privileged I am,
To have the world in a blink.

MY SUPERHERO FATHER!

***Dad you know I love Iron Man,
Well, I guess, Spiderman is cool too,
But, as long as I have you,
I definitely don't need them!***

***Dad, you are a hero to me,
I want to be as strong, clever, and
courageous as you.
When you're around, it's a lot of fun.
I love you and Happy Father's Day!***
