STAR OF THE WEEK

Looi Jayden (Y5) has been submitting all of the tasks assigned to him within the given duration. He has been observed to be very well behaved, engaged and attentive during online lessons. He knows exactly when it's time to be serious on task and takes responsibility for his learning.

Principal's Message

Dear parents/guardians,

Welcome to the new Academic Year, 2021/22. Everyone looks excited especially the primary students. We will continue with online learning until further notice. There are few points that I wanted to highlight during the online learning:

- ***Please ensure your child is ready and on time to join the online classes.***
- ***The camera has to be turned on.***
- ***For younger Primary children, parental support would be useful in accessing the platform. For older Primary children and Secondary students, we would encourage independent engagement.***
- ***If you have any concern during the online classes, please communicate your concern to the principal and do not interrupt the teachers while classes are on going.***

The IGCSE June 2021 series results were released in August. Again, our students achieved another round of outstanding results. Lau Wei Sin and Sabrina Soon Xing Hui achieved A*/A grades in all the subjects. We hope that these achievements will become a motivation to our Year 11 students excel in IGCSE examination too.

Do stay safe and take good care,
Christopher Wong
Principal

Can You Guess Which One is The Lie?

1. I learned how to embroider over the holiday.
2. My favourite food is fried chicken rice.
3. I have been on the same plane with a famous celebrity

HOMEROOM TIME YEAR 8

We had a wonderful catch up session for the Year 8 students during their homeroom time. It was glad to know that they had a good rest during the holiday and fully utilise their free time by doing some revision to strengthen some of their weak subjects. Students were required to write down their 'Goals' for Year 8 include setting their target to achieve in this new academic year and their promises on changing and improving themselves to a 'better me'. Many of them has achieved their target last year, Well done Year 8s, and keep up the positive spirit in learning.

RECEPTION

We started off our English lesson by making a simple introduction session of ourselves. We talked about our names and drew our favourite food and fruits, colour and family members. Now, we know each other better!
