

## STAR OF THE WEEK

Zaara is a lovely girl with a pleasant appearance. Despite her quiet mannerism, she readily grasps new concepts and ideas and uses them in a positive manner to prove herself. She is honest, trustworthy and cooperates well with her peers. She is a valuable member of her class. We love to see her progressively blooms since the first day she joined us to a more confident her now. She is very creative and capable of following directions extremely well. With more encouragement and guidance, she will be ready to take on some leadership roles and try out more new challenging tasks in the near future.

Congratulations! Keep up the good job!

**Week 47 & Week 48 (7/12/2020 - 18/12/2020)**

Dear Parents,

2020 has commenced with a big bang. As the pandemic has decided to stay, we will be ushering in the new year of 2021 cautiously. Embracing solemnly the new norms is now a reality of life; be it in our personal life, at school or at work, its impact is sure to last for a long time. Do stay strong and safe until the pandemic is over.

School holidays will be from 19/12/2020 to 03/01/2021. Online lessons will resume from 04/01/2021 onwards until 19/1/2021. Hopefully by 20/01/2021, we can go back to school. Let's hope this announcement remains valid. In the meantime, enjoy the holidays and do spend more quality time with your precious ones. Let them know you are there for them at all times.

All these years with SRRP have been an enriching experience and now it is time for me to bid farewell to all of you.

I am honoured to introduce to you, the new principal of SRRP, Mr Allen Yong Kuan Hon. He is a very capable and experienced Principal with unique methods and has lots of strategies to mould young children. I am delighted to know that SRRP is in good hands. I trust he will bring SRRP to a higher level of achievements.

Thank you. Take care.  
Stay Safe. Stay Home.

Warm regards,  
Ms Loy (Principal, Sekolah Rendah Rafflesia, Puchong)
