Star OF THE WEEK

Lee Yen Xing is one of our SPM 2021 candidates. He is such a knowledgeable boy who cooperates consistently with the teachers and other students. He often offers constructive suggestions to his peers to enhance their work too. Yen Xing always stays motivated to complete all his assignments during online lessons and turns in the required materials on time. Overall, Yen Xing has modelled good online learning behaviour for other students.

Principal's Message

**TRADITIONAL VALUES
GLOBAL VISION**

Dear Parents / Guardians,

We have just completed our Pentaksiran Bilik Darjah 2 (PBD 2) for our Form 1 - 3 students. The Internal Assessment was conducted smoothly though Online. I would like to thank the parents/guardians and students for their cooperation and support during this trying time. As promised, we will do our level best to bring the school to you though you are learning from home.

The Virtual Teacher-Led CCA is conducted to fulfil the requirements set by the MOE for PAJSK (Pentaksiran Aktiviti Jasmani Sukan dan Kesihatan) Assessment for Online Lesson. Once face-to-face class is permitted, we will continue with the normal CCA as planned.

SMRP Activities:-

- English Language - Favourite Music Artists
 - Weirdest Hobbies Around The World
- Science - The Causes and Effects of Air Pollution
 - Energy, Power and Work
 - Concave and Convex Lens
- Mathematics - Trigonometric Functions
- Pendidikan Moral - Keselamatan Jiran Tetangga
 - Kebestarian Diri - Vlog
- Mandarin - Introduction of Tang Poetry and Yuan Drama
- Physical Education - Tokyo Olympics 2020 Poster Design

Quotable Quote:-

ABILITY IS what you're capable of doing. MOTIVATION determines what you do. ATTITUDE determines how well you do it.

Kadence Lim Qi is presenting

BRUNO MARS

- Bruno Mars have 9 top ten hits
- Bruno Mars in 2014 have 1 big hit name UP TOWN FUNK
- Bruno Mars net worth is estimate to be \$175 million

11:03 AM | English (FIW)

Ng Yoke Hui is presenting

My Favourite artist:

Jay Chou (born on January 18, 1979)

- A Taiwanese musician, singer-songwriter, music and film producer, actor and director.
- He is most well-known across Asia for his musical talent.
- Dubbed "the New King of Asian Pop" by a 2003 cover story in Time magazine's Asian edition,

My favourites songs are 夜曲, 龙卷风, 等你下课

<https://www.youtube.com/watch?v=Qj6rCPMU9tU> · 龙卷风 1:00-1:34

11:10 AM | English (FIW)

Foo Yi Slang is presenting

Introduction To Alan Walker

Full Name : Alan Olav Walker
Born : 24th August 1997, Northampton (24)
Career : DJ (Disc Jockey) # Singer
Origin : Norwegian-British
Appearance : hoodie + mask covering half of his face
Logo : two letters 'A' and 'W' - intertwined

- Fascinated - computer programming & graphic designing
- Started - laptop - "FL Studio"

11:13 AM | English (FIW)

Nicholas See Li Er is presenting

ABOUT THE ARTIST

ABOUT ELETRONOMIA

Elektronomia (born: 1996-1997 (age 23-24)) is a Finnish music producer that creates dance and electronic music. He is best known as the author of the hit "Skyl High". Apart from songs, he also creates some remixes and record label founder.

ABOUT HIS CAREER

Elektronomia started his musical career in 2012 as "Electric Signals" and began to work with the British label NoCopyRightSounds (NCS). Thus he is also the founder of NomiaTunes label.

11:17 AM | English (FIW)

PRESENTATION: FAVOURITE MUSIC ARTISTS

5 weirdest hobbies in the world

Victoria Tan

Toy Voyaging

Toy Voyaging is a toy which get around by passed from person to person. Each toy voyager carries a unique identification number on a tag. A message on the tag encourages anyone who comes into contact with it to go to the website and update its Travelog.

Fork Bending

- Bending your fork into another shape & build a collection of your design
- Harmless
- Helps to concentrate ur mind

Soap carving , Thailand

- Sold at night markets
- Viewed very highly , people often sell their creations as souvenirs.
- Act of sculpting fruit and vegetables

2. Dog Grooming Competitive

- Find a breed you are comfortable grooming , display good confirmation, nice coat, good behavior, and be easy to travel with.
- Improving Your Grooming by Attending Competitions

1) Collecting Navel Fluff, Australia

There exist some people who do dirty. This is the most bizarre hobby in the world. Graham Barker of Australia has been collecting his navel fluff from years (since 1984) and has been succeeded to collect 2.5 grams.

4. news bombing

They say that everyone eventually gets their fifteen minutes of fame. Therefore, many people are taking this goal into their own hands by participating in the hobby of news-bombing. This is the act of making sure to get in the background of any sort of important news show or newscast and being able to wave back home to family and friends.

1. Competitive Mooing

-Competitive Mooing is a activity which consists of people mooing competitively to resemble a cow.

-In Wisconsin, USA, a competition takes place in which competitors must do their best impression of a cow. The latest winner was a ten-year-old boy named Austin, who received \$1,000, a cow print jacket, and a golden cow bell among other prizes.

2. Extreme Ironing

-Extreme ironing is the action of ironing at various places.

-First beginning in Leicester in 1997, extreme ironing is a craze that has seen the chore taken to mountains, helicopters, and even mid-air during a skydive.

PRESENTATION: WEIRDEST HOBBIES AROUND THE WORLD

BY YI SIANG

How air pollution affects the climate? (Causes & Effects)

- Thinning - ozone Layer
- ultraviolet (UV-B) rays directly go into Earth
- Temperature increased & will get CANCER

criminal : chlorofluorocarbons (cfc)

who Released : Humans

- Refrigerators
- Air conditioners
- Aerosol Sprays : Agriculture

Save Earth Save You

Ways To Prevent & Control

- choose refrigerators use hydrochlorofluorocarbons (HcFc)
- Replace pesticide with biological control to control pest

When too much carbon monoxide goes inside your body, your body replaces oxygen with carbon monoxide and this prevents oxygen from reaching your tissues and organs. So.. carbon monoxide is bad, it can cause death ☠.

Carbon monoxide can cause headache, mental retardation and death.

Air pollution:

- Students discussed the causes and effects of air pollution, and suggested ways to prevent and control air pollution.

Cause and effects of air pollution

- Smoke and dust can cause **BREATHING** problems.
- Example: chronic sinusitis, allergies and asthma

Ways to prevent and control air pollution

- Fine smokers who smoke at restricted areas.
- Fine individuals who conduct open burning.
- Reduce the number of trips you take in your car
- Avoid burning leaves, trash and other materials

chronic sinusitis allergies asthma

PRESENTATION: ENERGY, POWER AND WORK

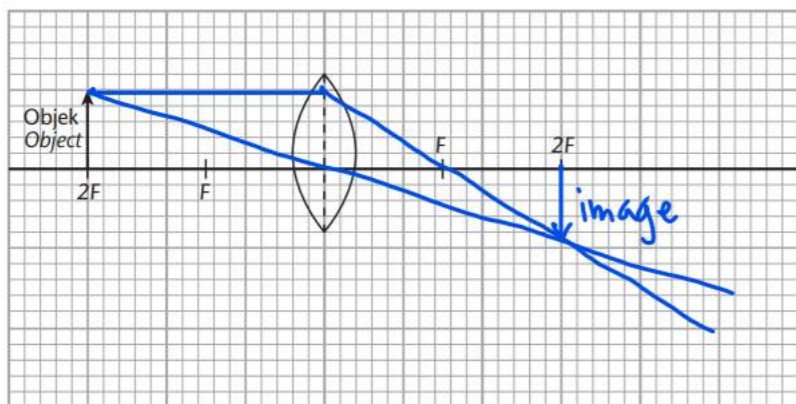

Concave and convex lens:

- Students identified the characteristics of images formed by the convex and concave lens using the simulation website.

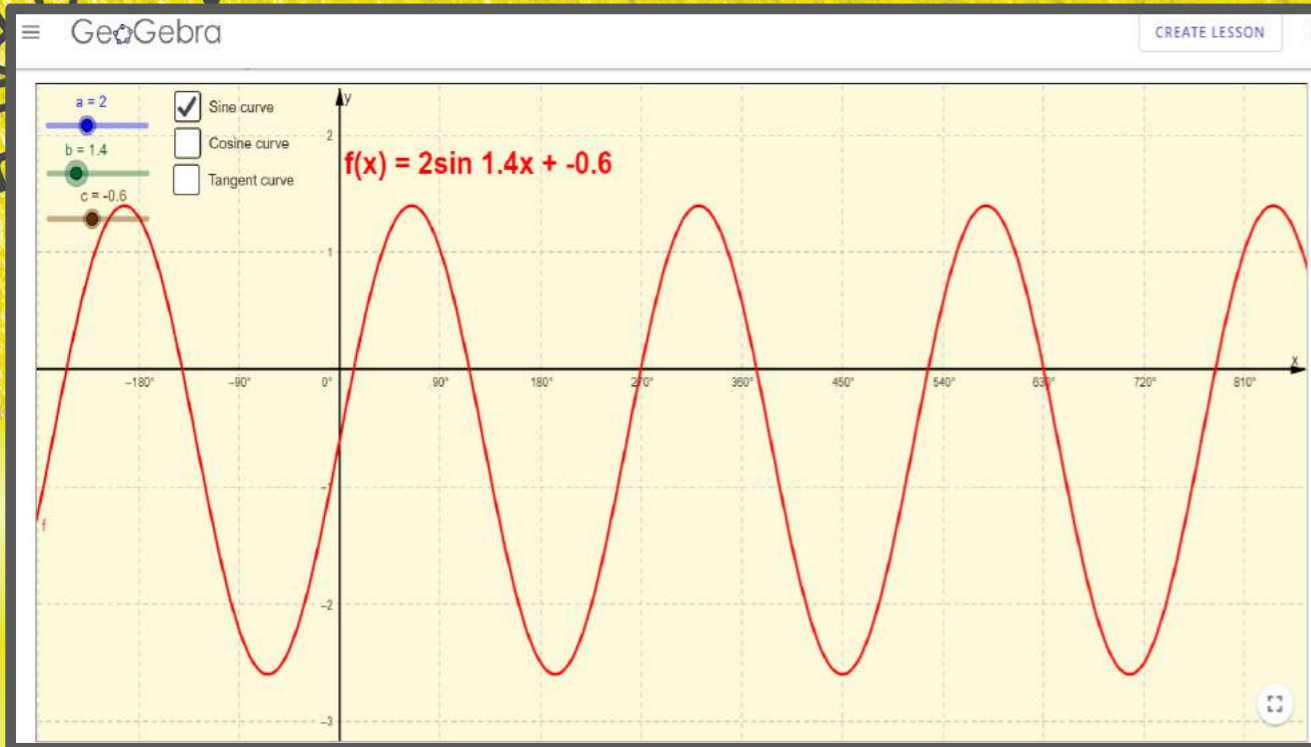

(b) Objek terletak di 2F/Object is positioned at 2F

- (i) Saiz imej/Image size = 1.0 cm
- (ii) Ciri-ciri imej: Real, inverted, Same size as object
- (iii) Alatan optik/Optical instrument: Photocopy machine

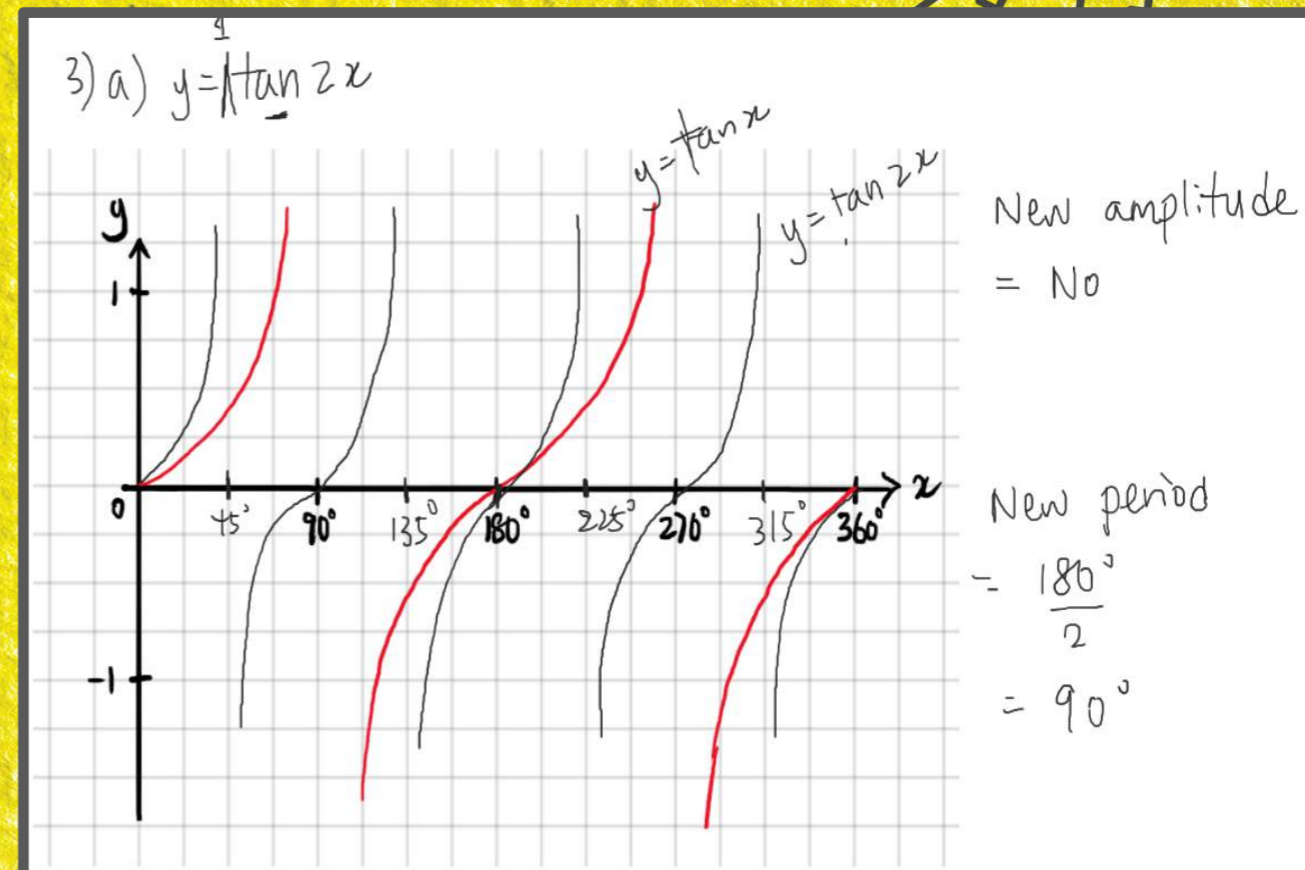

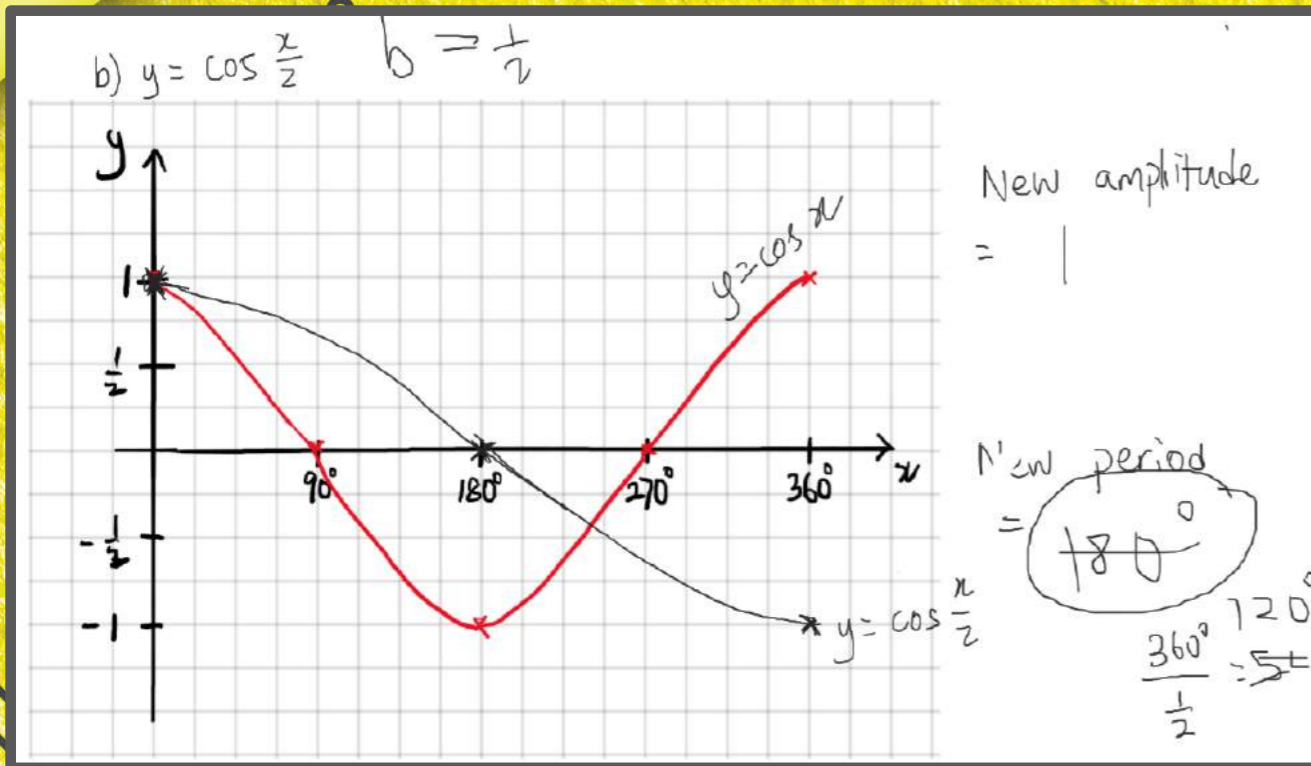

Concave and convex lens:

- Subsequently, students drew the ray diagrams for the images formed by the convex lens.

Trigonometric functions:

- Students investigated the effects of changes in constant a, b and c on trigonometric functions using GeoGebra apps.
- Subsequently, they drew the graphs using Jamboard.

KEBESTARIAN DIRI-VLOG

Introduction of

1. Tang Poetry 唐诗

2. Yuan Drama 元曲

绝句与律诗的区别

近体诗	形式		格律		
	句数	字数	格律	押韵	对仗
绝句	4句	五言 5字×4句=20字 七言 7字×4句=28字	极严谨 (每句平仄“一三五不论,二四六分明”)	1. 一韵到底,不得换韵 2. 第一句可押可不押 3. 偶数句一定押韵	不要求 第二、三联(颌联、颈联)务必对仗(即对偶)
律诗	8句	五言 5字×8句=40字 七言 7字×8句=56字			

曲的浅说

起源与别称

金、元以来受胡乐影响的新兴诗歌体裁,可以配合音乐演唱,盛行于元代,故称为“元曲”。由于元曲是从词演变而来的,所以也称“词余”;因为可配乐歌唱,又称“乐府”。

体制与格律

- 依据曲调填写,每个曲调都有名称,叫做“曲牌”。曲牌只标明曲子的音乐性,和内容无关,曲牌后面的题目才与内容有关,如《天净沙·秋思》中的“天净沙”是曲牌名,“秋思”是和内容有关系的题目。
- 每个曲牌的句数、字数、平仄和押韵,都有一定的格式。在曲牌规定的字数之外增字,称为“衬字”,用以补足语气,或描摹情感。此外,曲不避俗语俚语。

形式与类别

元曲分“散曲”和“戏曲”两类。

1. 散曲

只有曲文(歌词),而无科(动作)、白(独白或对话),仅可歌唱,和词的性质相近。分:

- 小令:又称“叶儿”,多是单支的曲子,一韵到底,平仄通押,如《天净沙·秋思》。值得一提的是,元曲的小令并不计字数多少,只要是表达一个完整意思的单调曲子都称“小令”,如长达百字的《百字折挂令》,这与宋词的小令是不同的。宋词的小令也称“短调”,一般专指字数58字以内的一首词。
- 散套:又称“套数”“套曲”,用同宫调两支以上(可多达数十支)的小令组成,自成首尾,前后连贯。“宫调”类似现代音乐中所说的“调”,如G调、D调等。

2. 戏曲

戏曲又分杂剧和传奇两种。

- 杂剧:又称“北曲”,盛行于元,除曲文之外,还有科、白,是以歌唱为主,配合动作和说话来搬演故事的戏剧。一幕谓之“一折”,每剧限四折,仅旦、末能独唱;每折限一宫调,一韵到底。
- 传奇:又称“南曲”,盛行于明清,一幕谓之“一出”,不限出数,各角色可分唱、轮唱或合唱;每出不限同一宫调,可以换韵。
