TRADITIONAL VALUES
GLOBAL VISION

Star OF THE WEEK

As one of the SPM 2021 candidates, Yap Jia Er is showing tremendous changes in the classroom. She is actively participating and showing great enthusiasm in completing the tasks given. Being the only female student in the classroom has never stopped her from learning and improving day by day.

- BE STRONGER THAN YOUR EXCUSES -

YAP JIA ER - F5R

Sekolah Menengah Rafflesia Puchong **Principal's Message**

**TRADITIONAL VALUES
GLOBAL VISION**

Dear Parents / Guardians,
HAPPY MOTHER's DAY!

I would like to extend my greetings to all our Mothers in advance, for you are the heartbeat of the home, that unifying pulse that has never been more important.

To all our Muslim parents, students and staff, I would like to wish you "Selamat Hari Raya Aidilfitri. Please be informed that the school will be closed for the Hair Raya Adilfitri Break from Monday, 10th May 2021 to Sunday, 16th May 2021 (7 days).

The Mid Year Examination has to be postponed and rescheduled until further notice due to the closure of schools in Selangor. Lets us all be reminded that our fight against the COVID-19 pandemic is not over yet. Let us come together to flatten the curve. We ask that students continue to practice health protocols without exception. Students must wear masks properly, practice physical distancing, wash and disinfect hands, and take the screening process seriously each and every day. I would like to personally thank our students, parents, and community members for all of their support during this challenging time.

SMRP Activities:-

- Science - Animal and Plant Cells, Nutrition, Human Digestive System and Microorganism.
- RBT - Teknologi Pembuatan
- English Language - Poster on Endangered Animals
- Pendidikan Moral - Presentation on Religions and their Beliefs
- Music - Composition
- Mid Year Examination

Quotable Quote:-

Keep Going..... Difficult roads can lead to beautiful destinations.

Thank you for your unwavering support and cooperation.

+603 8953 9088

Students drew and labelled the digestive system in order to understand the concept better.

Experiment:

Students collected various samples and streaked on the agar plate to check for microorganisms.

- Happiness and bacteria have one thing in common, they multiply by dividing.

The origin of Plaster of Paris:

During early 18th century, Paris became the centre of plaster production as the people mined gypsum in large quantities, and hence, the name Plaster of Paris.

3. Biarkan kering.

4. Keluarkan model 3D.
