Star OF THE WEEK

Wong Jia Hui and Wong Jia Min, the twins have been chosen as the stars of the week. Both of them are showing equal determination to do their best in all that they do. They are also showing great resilience in all subjects, growing more confident, and having a can-do attitude. With these learning attitudes, all their teachers believe that they will be all-rounders in the future.

Watercolour - Wet on wet

Wet-on-wet refers to the act of applying fresh paint onto a wet surface or on paint that is still wet rather than onto a dry surface or a layer of paint that has already dried. When using these kinds of techniques, we get colours that blend or intermix with one other.
