

STAR OF THE WEEK

Afreen is a diligent yet timid member of the class. Despite her quiet mannerism, she readily grasps new concepts and ideas and uses them in a positive manner to prove herself. She is honest, trustworthy and cooperates well with her peers. She is a valuable member of her class.

We love to see her progressively blooms since the first day she joined us to a more confident her now. She is very creative and capable of following directions extremely well. With more encouragement and guidance, she will be ready to take on some leadership roles and try out more new challenging tasks in the near future.

Congratulations! Keep up the good job!

Afreen Rhania binti Abdul Halim

Week 26 & Week 27 (13/7/20 - 24/7/20)

Dear Parents,

With the reopening of schools, the buzz is back. Our children are excited to see each other after such a long time. Wearing their SD-HATs proudly on the first day of school was quite a welcoming sight. They are adapting to the SOPs of this new norm very well. They seem to be aware of the current situation and have managed to practise social distancing accordingly.

Classes are buzzing with the sounds of children laughing, talking and at times singing. A sweet sense of normalcy is slowly seeping back amidst the SOPs. With the presence of these wonderful children, the whole school ambience is now pretty jazzed up.

Meal time is the best time of the day. Having meals together with their friends and teachers brought lots of smiles onto their faces. The younger children are enjoying themselves with lots of songs and activities while the others are trying to manage their assignments and projects.

Just a reminder, it's compulsory for everyone in the school to wear a mask/face shield, please ensure our children come with one and please prepare a spare one in their bags just in case they forget to wear one. We would also like to request parents who are coming in to deal with school office to wear masks at all times. Our security guards have been given strict instructions not to allow anyone in the campus without a mask. Your understanding and cooperation in this matter is much appreciated.

Thank you for your unwavering and continuous support.

Regards: Ms Loy (Principal, Sekolah Rendah Rafflesia, Puchong)

MOVIE REVIEW

My movie review

In my opinion, the movie is great! I rate it 8/10. The movie is about a poor but smart boy who wants to have an education. He secretly befriends a prince in the little town they live in. They help each other out with all types of stuff. The movie teaches the audience to work hard to achieve one's dreams. The reason I did not rate it a perfect 10 is because it had hardly any action in it which makes the movie a little dry and monotonous. Overall, it is an entertaining movie.

This story is about a poor boy named Kalam who works as a tea assistant where he is often bullied by an older worker out of jealousy. He meets a friend (a prince) and shares his dream , who agrees to exchange knowledge with each other. One day, Kalam gets accused of stealing the prince's belongings which were actually given to him by the prince. Kalam runs away in anger and when the misunderstanding is finally cleared up, everyone goes to search for him. Eventually, Kalam is given the opportunity to attend school together with the prince. I highly recommend this movie because it teaches us values. It's all about treating everyone fairly and equally and how actions can change one's destiny. This movie is both interesting and educational.

"I am Kalam" is a movie about a boy nicknamed "Chottu" who is unable to attend school due to poverty. Despite that, he manages to pick up different languages from his customers and his good friend, the prince. The movie teaches us that with hard work, we can achieve wonders as long as there is perseverance. I think that this is an amazing movie to watch with your family. Do check this movie out in your leisure. I can assure you that you wouldn't regret watching this movie. I would rate it a 4 star out of 5.

This movie features a poor yet smart boy named Kalam. He works as an assistant in a tea-stall catering for tourists. However, he is often bullied by an older colleague named Skinny. Here is also where he meets a tourist named “Lucy” whom his uncle has a crush on and also a prince. Soon after, he gets accused of stealing and runs away to Dubai to find Lucy. When the prince helps to clear Kalam’s accusations, a search party goes to look for Kalam. Eventually, the prince convinces his father to let Kalam attend school for free.

This movie portrays two different characters - one rich and the other poor. Kalam is a poor tea assistant while the prince who comes from the royal family, secretly becomes best of friends. They rely and help each other out secretly and spend happy times together. All is well until, Kalam gets accused of stealing the prince’s belongings. Kalam runs away and finally, he is found and gets to attend school together with the prince. This movie inspires me never to give up, dream big and destiny can be changed. Do watch this movie !

In my opinion, I find the movie motivational because it reminds me of the reasons that I am alive and makes me ponder what’s worth living for. This movie is hilarious in some parts and it is exciting enough as one looks forward in anticipation of what comes next. A good movie with good concepts that is enjoyable for both the young and the old. The cast has done a good job in bringing out their characters so convincingly. In a nutshell, I have learnt that this inspiring movie has spurred me on to be even more adventurous in venturing into new avenues.

WHAT IS THE COVID-19?

COVID-19 (Coronavirus Disease 2019) is a new strain of the coronavirus that has never been previously identified. Based on current available information, human-to-human transmission of COVID-19 is via respiratory droplets or direct contact.

SYMPTOMS

Fever

Cough

Breathing Difficulty

PREVENTIVE MEASURES FOR TRAVELLERS, ESPECIALLY TO CHINA AND UPON RETURNING TO MALAYSIA

ALWAYS PRACTICE GOOD PERSONAL HYGIENE

Wash hands frequently with water and soap or hand sanitizer.

DURING TRAVEL

Always bring along face mask and sanitizer for use when required

Avoid crowded places and close contact with people showing symptoms

Avoid visiting animal farms, markets selling live animals, slaughterhouses or touching any animal

Avoid eating raw or undercooked meat

IMMEDIATELY SEEK MEDICAL ATTENTION IF YOU HAVE SYMPTOMS OF RESPIRATORY TRACT INFECTIONS SUCH AS FEVER, COUGH OR DIFFICULTY BREATHING WITHIN 14 DAYS AFTER RETURNING FROM THE VISIT.

COVID-19: What You Need to Know

How COVID-19 spreads:

Between people in close contact (6 feet)

Infected person's cough/sneeze droplets

Touching your face after you touch objects with the virus on it

What are the symptoms?

Gastrointestinal Symptoms

Fever

Cough

Sore Throat

Shortness of breath

* Symptoms may appear 2 - 14 days after exposure.

How to prevent COVID-19?

Avoid close contact with people who are sick

Avoid touching your face

Stay home when you are sick

Cover your cough/sneeze with a tissue

Clean frequently touched objects

Wear a mask if you show symptoms of COVID-19

Wash your hands often for 20 seconds (ie. sing 'Happy Birthday' twice)

What should you do if you are sick?

Stay home (except to get medical care)

Separate yourself from others

Call before visiting your doctor

Wear a mask

Cover your cough/sneeze

Clean your hands often

Avoid sharing personal household items

Clean all frequently touched objects everyday

Monitor your symptoms

WARNING:

COVID-19 is potentially life-threatening and there is no vaccine for it. Consult your healthcare provider if you have a recent travel history and developed symptoms.

MINISTRY OF HEALTH

PREVENTIVE MEASURES FOR CORONAVIRUS DISEASE 2019 (COVID-19)

INDIVIDUALS

WITHOUT RESPIRATORY SYMPTOMS:

Maintain at least 1 meter distance from those who are coughing, sneezing and have fever.

Wash hands frequently with water and soap or use hand sanitizer.

Wear mask when visiting crowded places.

INDIVIDUALS

WITH RESPIRATORY SYMPTOMS:

Avoid crowded places.

Wear mask.

Cover mouth and nose when coughing or sneezing. Dispose tissue after using and wash hands with soap and water or use hand sanitizer.

Wash hands frequently with water and soap or use hand sanitizer.

Seek early medical care if you have fever, cough and breathing difficulties.
