STAR OF THE WEEK

Ming Jun is a pleasant and quiet student. She takes her work seriously and remains very much aloof when in the company of her peers. A girl of few words, she's always so deep in her thoughts and one would think that she's unapproachable which is contrary to her personality. She's matured yet responsible and executes all tasks given to her diligently and responsibly.

Congratulations!
Keep up the good work, Ming Jun!

Goh Ming Jun

Sekolah Rendah Rafflesia

Week 28 & Week 29 (27/7/2020 - 7/8/2020)

Dear Parents,

We are settling down and adhering well to the stipulated SOPs. Proud to see the young ones abiding so naturally to the new norm. They have shown us their commitment and effort with the daily face masks/shields, sanitising, checking temperature, eating using own utensils, cleaning-up and most importantly social distancing. Suffice to say, they won themselves some house points for best behaviour under the duress of such uncertain times.

Our exam week has just concluded and we look forward to see what impact our online lessons have on the children and how to close the gap appropriately. Our present CCAs have been realigned to cater for our children to learn in a fun way, having a mix of blended learning gaining the invaluable experience of the online lessons. Concentration on trilingual literacy is foremost in our academic excellence programme complemented by STEAM (Science, Technology, Engineering, Art and Mathematics) activities.

Stay Safe! Thank you for your unwavering support.

Regards : Ms Loy (Principal, Sekolah Rendah Rafflesia)

ART ASSESSMENT & FUN TIME (KUDA KEPANG)

**WE
TEACH AND CARE**
Until 6:00 pm

“Kuda Kepang” was originally a warrior dance with roots from Indonesia made popular in both Singapore and Malaysia especially in the state of Johor. Std 6 has been exploring the many aspects of this traditional art. They have created their artistic impressions of the “Kuda Kepang” in their own special way. Let’s hope they will carry on the tradition to be a source of inspiration for the younger generations.

Std 1 Pendidikan Muzik

WE
TEACH AND CARE
Until 6:00 pm

Standard 1 students are learning about the differences between beat and rhythm. By using body percussion, students demonstrate the rhythm pattern and keep a steady beat of “Teddy bear, teddy bear, turn around” song.

“The beat stays the same, but the rhythm changes with the words”

CCA - LITERACY

WE
TEACH AND CARE
Until 6:00 pm

Nothing beats the excitement of getting correct answers during a quiz. It was so wonderful to observe the genuine joy, shouts and grumbles when they were attempting the quiz. Nothing like being in school physically after months of attending lessons online.

NOVEL CORONAVIRUS (2019 - nCoV)

HOW IS CORONAVIRUS TRANSMITTED?

To date, the infection of 2019-nCoV infection remains unknown. The case was found to have symptoms of respiratory tract infections such as fever, cough and breathing difficulty.

There is a possibility of transmission from one person to another (human-to-human transmission), especially in close contacts.

However, investigations conducted by the World Health Organization (WHO) and the various parties involved, how the virus was transmitted to humans remains unclear.

HOW TO PREVENT CORONAVIRUS?

Wash your hands frequently with soap and water or hand sanitiser especially after sneezing or coughing.

Wear face masks when you have to interact/ deal with other people.

Practice good cough etiquette. Cover your mouth and nose with tissue or handkerchief when coughing and sneezing.

Get treatment immediately if you have fever, cough or breathing problems.

GET THE OFFICIAL INFORMATION THROUGH THE MINISTRY OF HEALTH'S OFFICIAL CHANNEL.
DO NOT SPREAD FALSE INFORMATION/ NEWS.

PARENTS' & GUARDIAN'S ROLE (POST MCO COVID-19)

1 HEALTH

Ensure that the child / child in care is in good health before attending school.

2 GUIDANCE

Help children learn to the best of their parents' / guardian's affordability

3 MOTIVATION

Motivate kids to keep learning
