## STAR OF THE WEEK

Sara Sasha is a diligent and dynamic learner. She has a pleasant demeanour, always looking very neat and tidy. She is an active student who partakes in all activities organised by the class and a quick - learner. Initially, she was very timid but now she is leading the way and very interested in dancing. Sara is well-loved by her teachers and friends. She is very well focused in her work, reliable and responsible towards all assignments or tasks given to her. We hope Sara will have a bright and promising future and we wish her well.

Congratulations! Keep up the good job!

Dear Parents,

Our mid-year assessments and reviews are finally over and we are happy to inform you that all report cards have been uploaded to the Parent Portal in QuickSchool. Do have a view and continue to encourage your child on his/her achievements despite the many challenges faced in embracing the new normal.

Lessons are going on as usual. All SOPs are adhered closely by the children. Your co-operation and kind consideration for the well-being of all Rafflesians speak volumes of your exemplary role. We would like to express our gratitude to you for keeping your child at home should he/she be under the weather and to adhere to home quarantine as required. With that said, together we hope to defeat COVID 19.

As of 1 September, 2020, we will have PE and CCA activities as long as we can ensure SOP is followed accordingly. Will email more details as we unfold the activities. In the meantime, have a great extended weekend. Happy Independence Day to all of you! Malaysia Prihatin!

Thank you for your unwavering support and trust in us.

Warmest Regards,  
Ms Loy (Principal, Sekolah Rendah Rafflesia, Puchong)

Painted rocks aren't just a fun activity – they can also be used to encourage and uplift others! Today, the students tried painting one of these short, inspirational quotes on their rocks to brighten the day of whoever finds it.
