

STAR OF THE WEEK

Dhiya, a quiet and demure student has a heart of gold. She's generous, friendly, modest and accommodating to all who know her. Always ready to learn, she's known to share and care. A joy to know her. She is an exemplary student, well-liked by her peers and teachers.

Congratulations!
Keep up the good work!

Sekolah Rendah Rafflesia

Week 33 & Week 34 (31/8/2020 - 11/9/2020)

Dear Parents,

These 2 weeks have been very nerve-racking. With the announcement from MOE granting permission to run PE and CCA lessons, it has been an uphill task. Nevertheless, just the excitement of changing into their PE attire brought so much joy to them that all effort is worthwhile. Wearing masks seem to be quite cumbersome as they need to put them on and off following the SOP. Preparing additional masks for them (just in case) will assist to keep them safe.

We are having 2 sessions of CCA every week now - Wed (2.30 - 3.30) and the additional one on Tue (1.30 - 2.30). Tuesday classes are replacement sessions for those we missed out during MCO. We can only offer Badminton, Taekwondo and Wu Shu. Robotics students have been re-assigned to the other CCAs. As for Swimming, students will be doing their CCA - Performing Arts/Literacy with their teachers for now. These students need not bring their swimming gear as yet, just PE attire until further notice. We will continue to monitor and keep you updated on the replacement classes for Swimming. Should you have any issues, please write to principal.puchong@rafflesia.edu.my

Thank you for your unwavering and continuous support.

Warmest Regards: Ms Loy (Principal, Sekolah Rendah Rafflesia, Puchong)
