

STAR OF THE WEEK

Sharif is a self-motivated student, conscientious and works independently. He consistently puts forth his best effort that far exceeds the expectations with quality work. Suffice to say, he readily grasps new concepts and ideas. He occupies his time constructively and communicates well with the other students and all his teachers. He participates well throughout the online lessons and sets an exemplary model for his friends.

Keep up the good work, Sharif!

Week 43 & Week 44 (9/11/2020 - 20/11/2020)

Dear Parents,

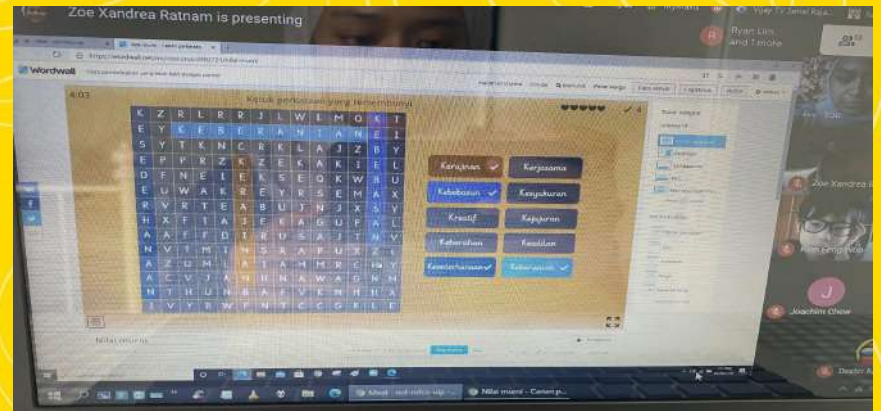

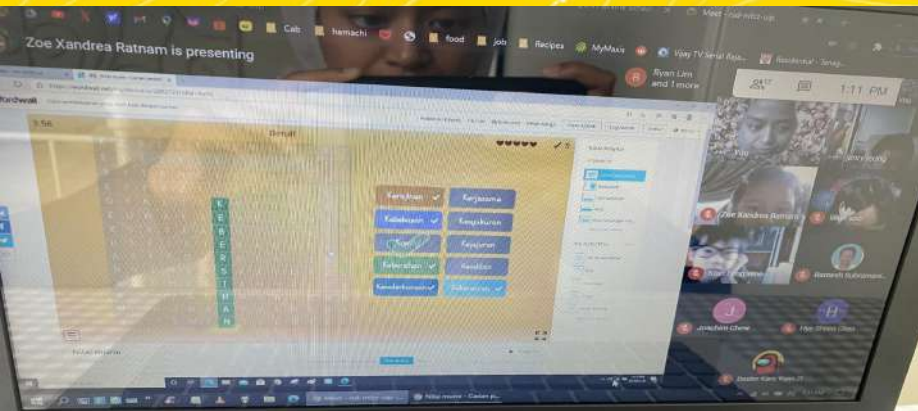

As much as we feel uncertain about what the new norm will bring, we have decided to embrace it courageously to ensure that the children will still get the chance to have their academic progress evaluated to our level best - by pushing the assessment ONLINE.

This week witnessed our early struggles as the young ones learnt to navigate through the arduous process of using an email, retrieving links for exam papers, filling-in online forms and submitting them.

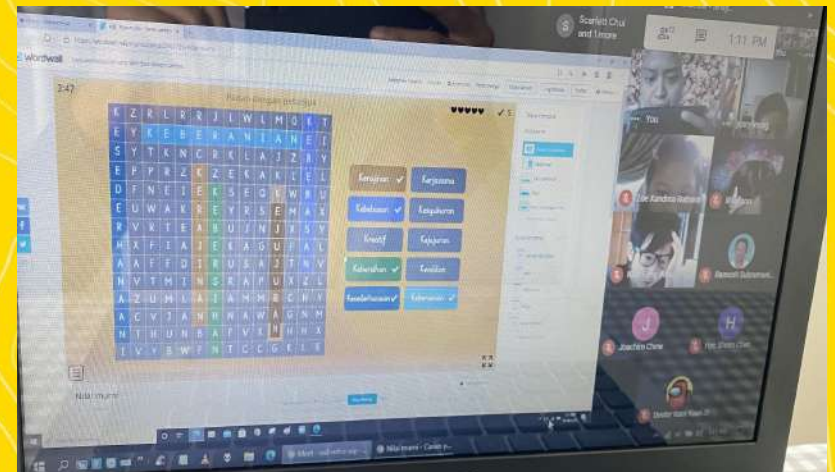

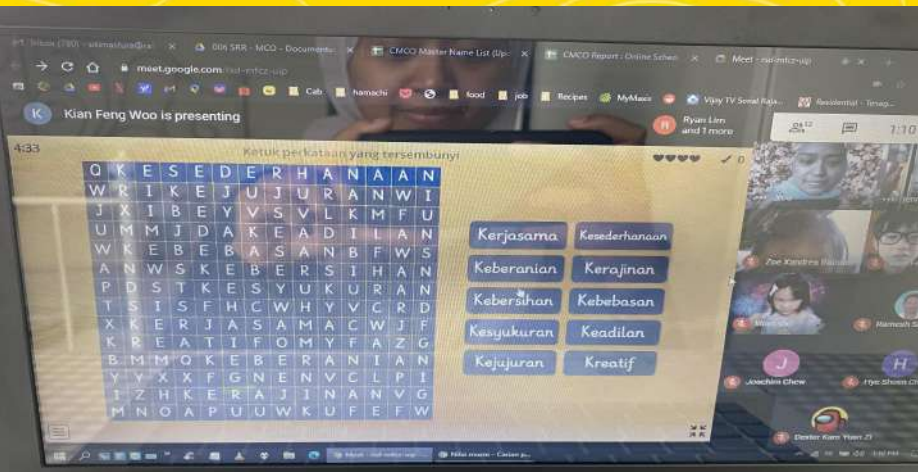

Thank you and Kudos, parents! They say, “It takes a village to raise a child.” Without you as the pillar of support, patiently instructing from home, spending hours to assist the children, this new milestone will be almost impossible to fathom. Our children has indeed come very far this year! We can do it! We still have a few more papers to go! Please continue to support them! Till we meet again, stay strong and stay safe!

Warm Regards :

Ms Loy (Principal, Sekolah Rendah Rafflesia, Puchong)
