## STAR OF THE WEEK

Raydon shows enthusiasm and has a good attitude towards learning. He understands the classroom rules well; he participates and responds well in all the activities conducted. Raydon completes his tasks on time and his attendance at online classes has been very consistent. Raydon is easy to get along with and demonstrates good manners towards others.

Keep it up, Raydon!

Raydon Keith Chew 3R

## Principal's Message

**TRADITIONAL VALUES  
GLOBAL VISION**

Dear Parents and Guardians,

Greetings from Sekolah Rendah Rafflesia Kajang!

It is indeed very important to help our young kids enjoy their online lessons while learning effectively at all times. The CCA teachers-in-charge have conducted a series of intellectual development activities to get students engaged actively.

These activities include exposing the students with various types of literature and story books, as well as the students dressing up like the characters in the stories to boost their interest in reading. Teachers also guide children to create their own story books creatively and encourage them to present their stories confidently.

We believe learning is an ongoing process. Most importantly, children must learn happily and grow confidently. Once again, I would like to express my gratitude to our parents and teachers for your continuous support! A Big THANK YOU to all of you.

Kindly take note that there will be a series of upcoming activities as follows:

16.08.2021 to 20.08.2021 Fitness Week

23.08.2021 to 27.08.2021 Patriotic Week

Take care and have a wonderful day ahead!

Yours sincerely,

Loy Liang Hui

Principal

**Pupils were able to produce a story book with moral value. They were encouraged to write and present the story creatively.**

Eiffel 5R

Once upon a time, there was a village in the Crimson Forest. The village lived peacefully and the villagers were all happy. The villagers there were piglins, a civilization species in the "Nether". The piglins hunted the hoglins for food, all of them worked hard, except for one piglin, his name is Pigly.

# Story-making Competition

## STANDARD 4R & 5R

**1st : Anndriyana Binti Abdullah**

**2nd : Eryssa Binti Mohd Nazrul**

**3rd : Eiffel Loo Zi Ee**

## STANDARD 3R

**1st : Chen Ywu Han Catherine**

**2nd : Ho Jing Yuen**

**3rd: Raydon Keith Chew**

## STANDARD 2R

**1st : Kuan Yan Sing**

**2nd : Tan Ze Yuan**

**3rd : Jetendra Vijay Baskar**

**After watching a fiction story titled, “Scaredy Monster and the Bad Dream”, the pupils were given a task to draw about their dreams.**

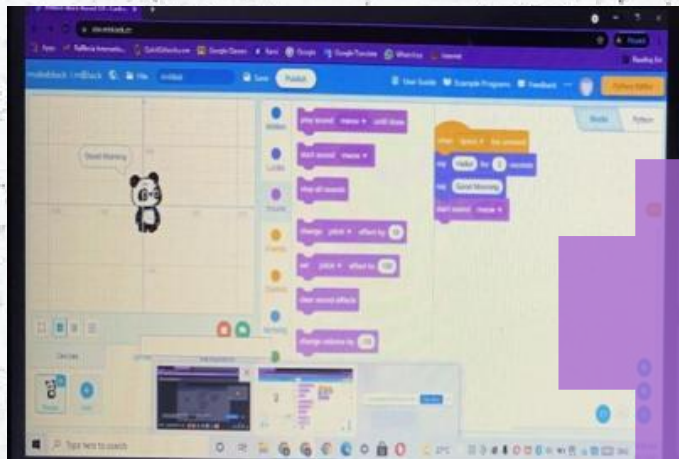

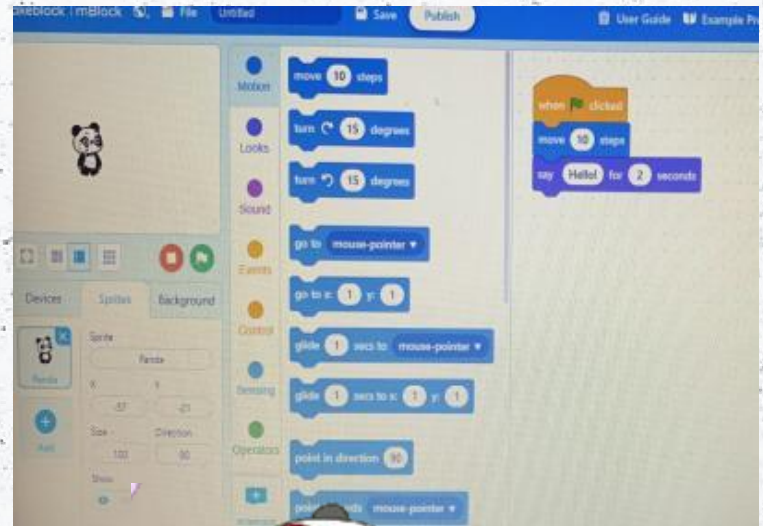

**Pupils watched the short movie “Goldilocks and the Three Bears” and discussed about the moral of the story. They chose one character from the story to make a mask.**

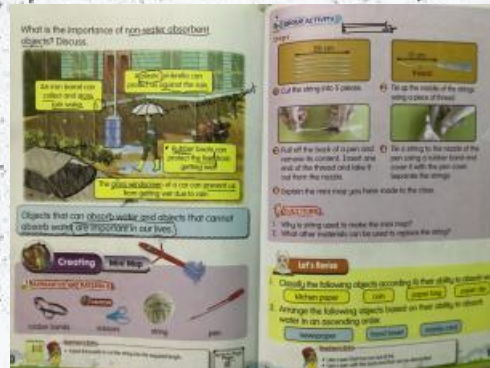

**The pupils of 5R were exposed to a coding software called 'mBlock' which is a STEAM programming software tool designed for kids' programming.**

**Pupils made their mini mops during the online Science lesson after learning the topic of absorption.**

**The materials and apparatus needed to make the mini mops were rubber bands, string, pen and scissors.**

**Pupils drew posters by describing the methods to separate a mixture of various objects, such as sieving, magnetic attraction, floatation and filtration.**

# Gravity

**Gravity**  
Definition  
A force that acts over a distance and pulls it together.  
Note Everything we throw always falls down.  
Mass vs Weight

**The pupils of Standard 4R made posters for the Gravity of Earth during the Science lesson. They were able to understand the concept and meaning of gravitational force of Earth.**

Wahai kawan dengarlah luahanku ini janganlah dibuang minyak masak terpakai kitarlah semula agar alam ini terpelihara.

BAHASA MELAYU - 3AB & 3AP (SAJAK PESANANKU)
