## Principal's Message

**TRADITIONAL VALUES  
GLOBAL VISION**

Dear Parents/ Guardians,

Greetings from Sekolah Rendah Rafflesia Kajang!

Please be informed that the SRRK STREAM Week has been carried out this week. Pupils were exposed to various types of Science experiments and hands-on activities, which can boost their psychomotor development. Pupils' critical thinking skills are enhanced during such activities too.

The legend of the Mid-Autumn Festival has been shared with pupils. It is a family holiday like Thanksgiving with mooncakes and lanterns. Pupils were encouraged to spend their quality time with their parents.

Please take note of the following:

11.09.2021 - 19.09.2021 Mid Semester 2 Break 2

27.09.2021 - 01.10.2021 Pentaksiran Bilik Darjah 2

Thank you parents and teachers for your continuous support and have a wonderful holiday!  
Take care and stay healthy always.

Yours sincerely,  
Loy Liang Hui

Google Classroom is really useful for doing weekly spelling 'Kuiz Perkataan Mingguan'. It helps the teacher to monitor pupils, grade the quiz & write comments. Bomb Timer is also helpful and it effectively makes pupils be more punctual and turn in their paper on time.
