## Message from the Principal

TRADITIONAL VALUES  
GLOBAL VISION

Dear Parents/Guardians,

I want to thank you all for your patience and support over these past 4 months. We have had our triumphs and our challenges, but in spite of it all, we continued to work hard to persevere with our vision 'To be the School of Choice with international recognition'. Thank you for entrusting your children with us virtually each day. While it is no comparison to working with them and helping them learn and grow in person, we hope that soon enough we'll all be on campus together again.

I am so grateful to be associated with amazing parents and students here at Sekolah Rendah Rafflesia Puchong. As the principal, I am thankful for everyone who has worked so hard to encourage and support the learning in and out of the classroom. I would like to also thank our hard working and compassionate teachers and staff who have made a huge difference in our students' lives. Their commitment has been outstanding and our students are the beneficiaries.

Please be informed that the semester 1 break will commence from **29th May to 13th June 2021**. We will continue to update all parents on any new directives from the authorities as and when we are notified. It is of utmost importance for us to take the responsibility and accountability to keep ourselves and our family safe by strictly adhering to the precautionary measures and SOPs.

Do stay strong and safe for tomorrow will be better. If we want the rainbow, we have to put up with the rain.

Thank you for your unwavering and continuous support.
