Dear Parents/Guardians,

Gong xi fa cai 恭喜发财！

Happy Lunar New Year! Good Health, Good Fortune, Good Luck and Abundant Happiness for the year ahead.

I hope you have enjoyed the Chinese New Year holiday break.

Refer to the MOE's recent announcement, classes for students of all forms/levels will be resumed batch by batch. Students of standard 1 and 2 will return on 1 March 2021 (Monday) and students of standard 3 - 6 will return on 8 March 2021 (Monday). We look forward to that day when the school community can be together in school again. However, please be informed that the Online Lesson will not be conducted when face-to-face lessons resume. When school reopens, we assure you there are plans in place to close any learning gaps.

We will be having our first assessment - PBD 1 from 8/3/2021 (Monday) to 9/3/2021 (Tuesday). A copy of the scope and timetable has been emailed to you and made available in the Parent Portal via Quickschool. Do enjoy studying with your children and be their pillar of strength.

Once again, I would like to say "thank you" for all the kind words of encouragement and best wishes that have come our way. We couldn't have done this alone and on behalf of the Sekolah Rendah Rafflesia Puchong team, I say a very big "THANK YOU" to everyone. As we stay at home, and yet stay connected, take care and stay safe!

Verb Tenses: Tell us WHEN an action is taking place!

There are 3 main verb tenses:

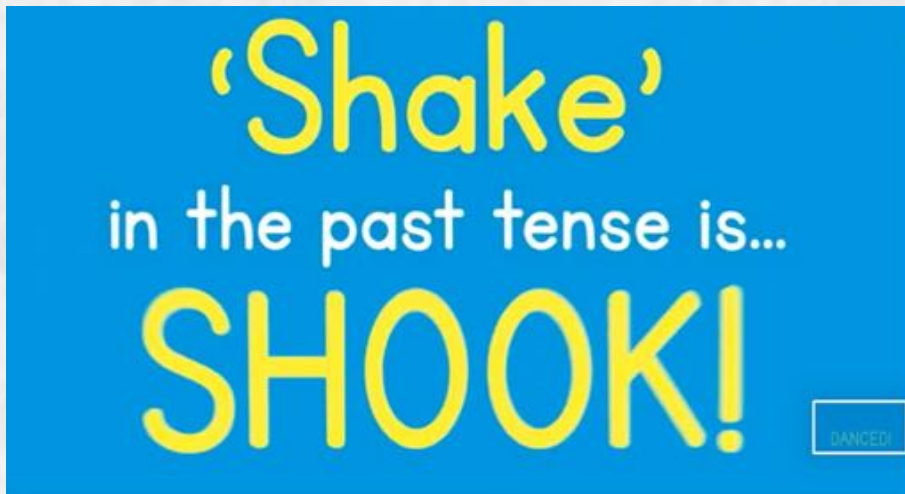

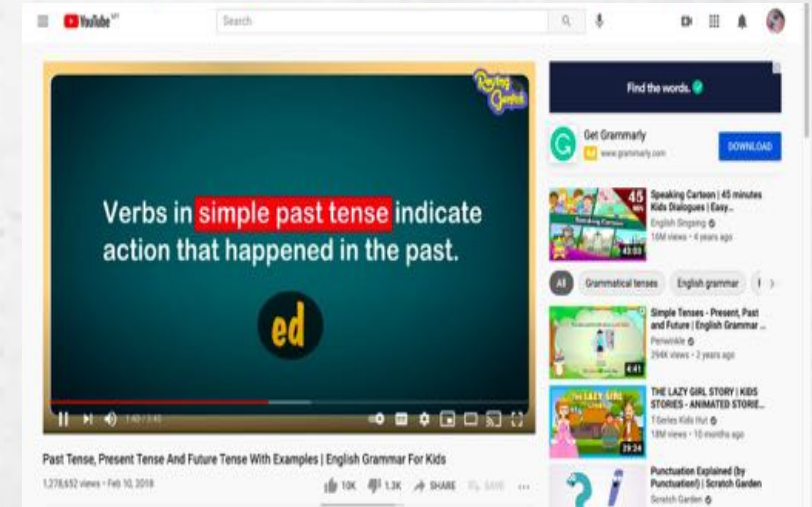

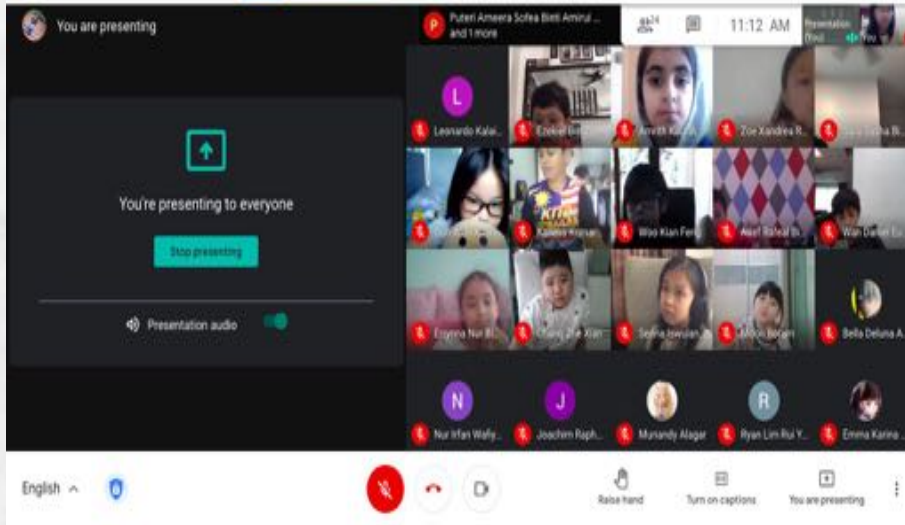

Past	Present	Future
An action that already took place	An action that is happening right now	An action that is going to happen
		
Usually, you add -ed to the end of the verb To see (past) → to see But, some verbs are irregular . Instead of adding -ed, the whole word changes. go → went eat → ate	We use the base form of the verb and add -s for singular nouns/pronouns. she works she studies Present progressive: For ongoing actions, we use the current form of the verb 'to be' + verb-ing to the base of the verb. she <u>is</u> working	Add the word will in front of the base of the verb. They will talk later. Tomorrow, I will meet a friend.
		

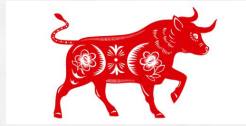

Past Tense Verbs

Sometimes you have to drop the 'e' or change the 'y' to an 'i' first.

• Most verbs → add -ed .		
play →	talk →	share →
visit →	finish →	carry →
mix →	crash →	cry →
• Some verbs are irregular.		
bring →	tell →	teach →
win →	do →	run →
go →	drink →	make →
• Some verbs stay the same.		
hit →	cost →	cut →
quit →	hurt →	put →

Students learned Past, Simple and Future tenses. They had an amazing experience using 'padlet' to share their sentences. All of them did it and shared knowledge.
