Star OF THE WEEK

As a cheerful yet serious student, Ian Low is always ready and eager to attend lessons. During lessons, he never fails to give 100 percent focus and concentration and is always ready to ask questions when in doubt. A confident, well-articulated, enthusiastic, friendly and helpful student, Ian brings joy, cheer and fun to his classmates and teachers.

He shows interest in everything we do in school and it is encouraging to note how interested and keen he is, when it comes to learning. Credit should be given to Ian as he is a fine example to his peers. Keep up with the good traits, Ian!

Dear Parents/Guardians,

Our gratitude to you for your tremendous cooperation and consideration to support all our initiatives. Equipping your children with facial masks and hand sanitisers really help. With you lending your weight to help us keep all kinds of infections at bay is indeed applaudable. We salute your compassion and consideration to protect our Rafflesian Family. We assure you that your child's well-being is our utmost priority too and will continue to put in our preventive measures accordingly.

A special thanks to Standard 4, 5 and 6 parents who joined our Virtual Coffee Morning which was scheduled on 19 March, 2021 (Friday) at 3.30 p.m. We would like to say thank you to everyone who shared their valuable feedback. These results, along with continuous guidance and review with Rafflesia Team, enable us to create a thorough improvement and development plan for our school.

Language week has been organised from 15 March - 19 March, 2021. Many interesting and engaging activities have been planned and conducted by our amazing team of teachers. A big salute to parents, teachers and students for giving in their 100% for the success of the Language week despite all the strict SOPs. Truly great and blessed to have to experience this. Please be informed that the school will be closed for the 2021 SRRP Mid Semester 1 Break from Wednesday, 31st March 2021 to Sunday, 4th April 2021 (5 days). The school will reopen on Monday, 5th April 2021. We are looking forward to welcoming all our students back to the school campus.

Happy Holidays!

HOW TO PROPERLY WEAR A MASK

FOLLOW THESE GUIDELINES TO PROPERLY WEAR YOUR FACE MASK

Wash your hands before and after touching the mask.

Touch only the bands or ties when putting on and taking off your mask.

Make sure the mask fits to cover your nose, mouth and chin. If you adjust the mask to cover those areas, wash your hands before and after.
