Star OF THE WEEK

Goh Wen Xuan has shown a fantastic attitude to learning this week. She is a diligent yet timid member of the class. Despite her quiet mannerism, she readily grasps new concepts and ideas and uses them in a positive manner to prove herself. She is also a student who displayed a fantastic 'can do' attitude throughout her lessons. She is very creative and capable of following directions extremely well. With more encouragement and guidance, she will be ready to take on some leadership roles and try out more new challenging tasks in the near future. Well done Wen Xuan. We are so proud of you!

Message from the Principal

TRADITIONAL VALUES
GLOBAL VISION

Dear Parents / Guardians,

First and foremost, I would like to say thank you to our students, parents, and community members for all of their support during these challenging times. We are so fortunate to live in a community that rallies together to help each other. As we continue to move forward, we cannot stress enough the importance of student engagement in both synchronous and asynchronous learning. Parents, please be sure to frequently check your child's progress on Quickschool.

Singapore and Asian Schools Math Olympiad (SASMO) is back. It is an international mathematics competition that is organised by Singapore International Math Contests Centre. SASMO aims to cultivate students' interest in mathematical problem solving to develop mathematical intuition, reasoning, logical, creative and critical thinking. Due to the current Covid pandemic, this contest will be conducted through ONLINE platform. If you are interested, please contact your child's respective homeroom teachers to further assist in taking part in the competition.

In closing, I want to reiterate our gratitude for your continued support and wish you and your family good health. I feel confident that when we all return together, it will be with a greater sense of belonging and a renewed perspective on all of the values that make Sekolah Rendah Rafflesia Puchong such a special place.

Stay safe. See you soon.
