

STAR OF THE WEEK

Law Hui Tong of F2R is the star of this week! She is a hardworking, creative and talented student. She always shows good examples to others and has the potential to complete extraordinary projects for Stem and RBT. She is a soft-spoken person who is willing to help others in studies too. She is just amazing in her own way! Well done, keep it up!

LAW HUI TONG

**SMRP Newsletter
Week 35 & 36**

Dear Parents / Guardians,

Good news! The school cafeteria is reopened to the secondary students to consume their food for breakfast and lunch effective **Monday, 21 September 2020**. For the past two months since 15 July 2020, the students had to confine themselves in their classrooms to consume their food together with their teachers. With the reopening of the school cafeteria, the food choices are back to normal - Vegetarian, Asian and Western. The RMCO SOPs are strictly enforced to ensure the safety of our students - **physical distancing, no sharing of food and personal belongings, wearing mask at all times except when eating, sanitising and washing the hands and seated at least one metre apart.**

SMRP Activities:-

- Merdeka Celebrations
- STEM - Recycled Blocks and Presentation
- Music - Drum Circles
- Reka Bentuk Teknologi - Pictorial Sketches
- Reopening of School Cafeteria - Happy Hour

Quotable Quote:

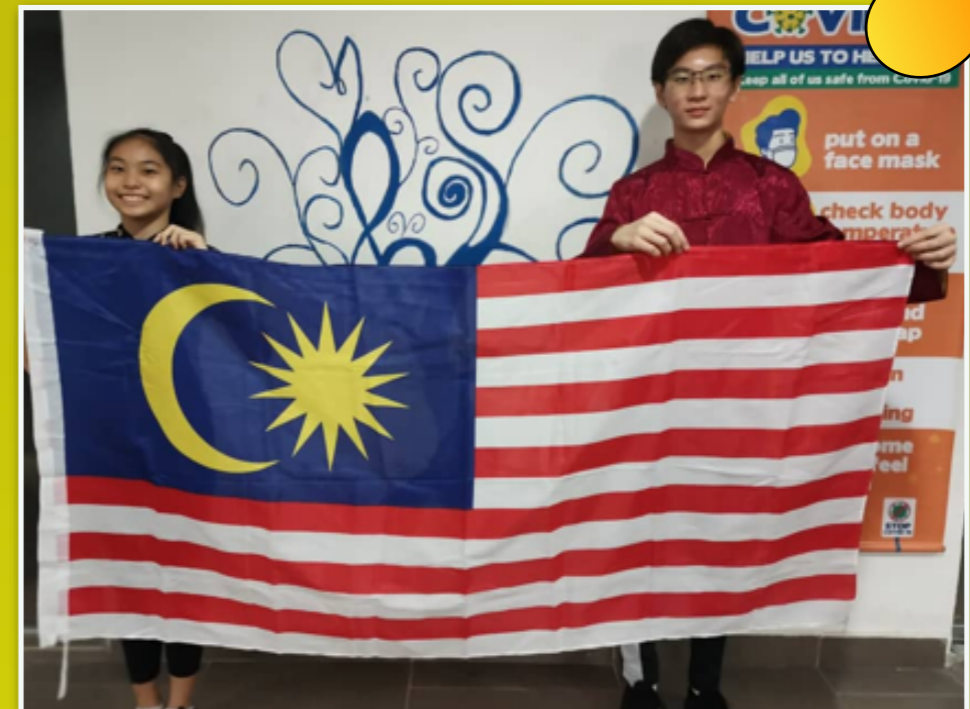

Every successful person has a painful story. Every painful story has a successful ending. Accept the pain and get ready for success.

Thank you for your unwavering cooperation and support.
