STAR OF THE WEEK

Eng Kai Lun of F2R is the star of the final Online Learning Week! He is a responsible, hardworking and friendly student. He always goes to the extra mile in accomplishing his work especially for his Stem online projects! In addition, he has a great passion for learning which enables him to develop his critical thinking skills too. Keep it up!

ENG KAI LUN

Rafflesia School Newsletter
2020/Term1-OL Week

Dear Parents/Guardians,

All of us have been waiting for this day - the reopening of schools for our students to come back to school. My teachers and I are very excited and happy to welcome our students back to school. I would like to thank the parents/guardians who have constantly monitored their children to stay tuned to the Online Lessons conducted for the past 3 months during the MCO. The Online Lessons officially ended on 14 July 2020. Great cooperation!

I would like to assure the parents/guardians that we have planned meticulously putting in place the Covid-19 SOPs for the safe return of our students. We will ensure the school is conducive for the continuity of the Teaching and Learning Process amidst the Covid-19 pandemic.

SMRP Activities:

- Bahasa Cina - Fun Learning of Passages through Illustration.
- STEM Online Project - The Balloon Car
- Pendidikan Moral - Presentation
- The New Normal

Quotable Quote:

Don't worry about failures, worry about the chances you miss when you don't even try.

Thank you for your unwavering support and cooperation.
